

### Franchise Dealer Inventory Affidavit

The following statement is being submitted for inventory item(s) \_\_\_\_\_.  
(List the specific inventory number)

To the best of my knowledge the item listed should be voided because:

- The item was lost and could not be found in order to return to the Tax Office.
- Our customer has possession of the inventory and will not return it.
- Our dealership did not receive the Form 31(s) listed.
- Our dealership did not receive the License Plate(s) listed.
- The inventory was issued and processed. I have included a Dealer Complete report.
