TAX ASSESSOR-COLLECTOR & VOTER REGISTRAR

July 15, 2026

Marcus Stuckett
Harris County Flood Control
9900 Northwest Freeway
Houston, TX 77092

Reference: Truth-In-Taxation

Dear Tina Petersen:

The following information is provided for Harris County Flood Control's 2026 Truth-In-Taxation calculations, in accordance with the certification requirements of the Texas Property Tax Code (Tax Code) §26.04, on the Comptroller's Tax Rate Calculation Worksheets.

Per Tax Code §§26.04(b), (h), (h-1) and (h-2), if the 2026 anticipated collection rate is lower than the actual collection rates in any of the prior three years, use the lowest actual collection rate from that year. However, if the 2026 anticipated rate is higher than at least one of the rates in the prior three years, use the 2026 anticipated rate. Note that the rate can be greater than 100%. I hereby certify your anticipated collection rate for 2026 is 97.30% based on the following collection rates:

Anticipated Tax Year 2026 = 97.30%
Tax Year 2025 = 97.30%
Tax Year 2024 = 97.49%
Tax Year 2023 = 97.01%

I hereby certify the amount of debt taxes collected in excess of the anticipated amount in the preceding year equals \$0.00. Tax Code §26.012(10) and 26.04(b)

I hereby certify the total amount of refunds issued in the preceding year equals \$9,240,053.58. Tax Code §26.012(13)

The Chief Appraiser will provide certified estimates on July 25, 2026.

Should you have any questions, or need further assistance, please call Elizabeth Doss at (713) 274-8110. We look forward to working with you during the Truth-In-Taxation process.

Sincerely,

Annette Ramirez
Harris County Tax Assessor-Collector
