Re: 2026 Sec. 26.01(a-1) Estimate
HC ESD 24

Dear Mr Loyd:

As required by Texas Tax Code Sec. 26.01(a-1), we have prepared an estimate of taxable value for the above taxing jurisdiction for 2026.

While we have taken our best estimate of potential hearing loss into account, 2026 protests are still being received and formal hearings held during the next several months may cause further value reductions. Also, if fewer protests are filed, your value could possibly increase.

Your final taxable value will also be impacted by late-filed exemption applications, late applications for productivity valuation, correction motions under Tax Code Sec. 25.25, immediate residential homestead exemptions granted pursuant to Tax Code Sec. 11.42(f), and possible post-ARB appeals through binding arbitration, appeals to district court, or appeals to the State Office of Administrative Hearings.

Given these limitations, the estimated 2026 taxable value for the taxing unit identified above is:

\$8,509,279,471

The enclosed worksheet also provides additional estimated values that may be useful in your tax rate calculations.

Please do not hesitate to contact your HCAD jurisdiction coordinator or my office if you have questions regarding this estimate or other matters affecting appraisal district operations.

Sincerely,

Adam Bogard
Chief Appraiser

Reference: Truth-In-Taxation

Dear John Peeler:

The following information is provided for ESD 24's 2026 Truth-In-Taxation calculations, in accordance with the certification requirements of the Texas Property Tax Code (Tax Code) §26.04, on the Comptroller's Tax Rate Calculation Worksheets.

Per Tax Code §§26.04(b), (h), (h-1) and (h-2), if the 2026 anticipated collection rate is lower than the actual collection rates in any of the prior three years, use the lowest actual collection rate from that year. However, if the 2026 anticipated rate is higher than at least one of the rates in the prior three years, use the 2026 anticipated rate. Note that the rate can be greater than 100%. I hereby certify your anticipated collection rate for 2026 is 96.26% based on the following collection rates:

Anticipated Tax Year 2026 = 96.26%
Tax Year 2025 = 96.26%
Tax Year 2024 = 98.37%
Tax Year 2023 = 97.58%

I hereby certify the amount of debt taxes collected in excess of the anticipated amount in the preceding year equals \$0.00. Tax Code §26.012(10) and 26.04(b)

I hereby certify the total amount of refunds issued in the preceding year equals \$265,646.99.
Tax Code §26.012(13)

The Chief Appraiser will provide certified estimates on July 25, 2026.

Should you have any questions, or need further assistance, please call Elizabeth Doss at (713) 274-8110. We look forward to working with you during the Truth-In-Taxation process.

Sincerely,

Annette Ramirez
Harris County Tax Assessor-Collector
