A tax rate of \$0.03349 per \$100 valuation has been proposed by the governing body of Harris County Flood Control District.

| | |
|-------------------------|---------------------|
| PROPOSED TAX RATE | \$0.03349 per \$100 |
| NO-NEW-REVENUE TAX RATE | \$0.02974 per \$100 |
| VOTER-APPROVAL TAX RATE | \$0.03349 per \$100 |

The no-new-revenue tax rate is the tax rate for the 2021 tax year that will raise the same amount of property tax revenue for Harris County Flood Control District from the same properties in both the 2020 tax year and the 2021 tax year.

The voter-approval rate is the highest tax rate that Harris County Flood Control District may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that Harris County Flood Control District is proposing to increase property taxes for the 2021 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON September 28, 2021 AT 10:00 am AT the Courtroom of the Commissioners Court of Harris County, Texas on the ninth floor of the Harris County Administration Building, 1001 Preston Street, Houston, Texas or may be viewed here: www.harriscountytexas.gov/Government/Court-Agenda/Court-Videos.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, Harris County Flood Control District is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the Harris County Commissioner's Court of Harris County Flood Control District at their offices or by attending the public hearing mentioned above.

YOUR TAXES OWED UNDER ANY OF THE RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

$$\text{Property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$
