Commercial Portfolio Procedures

The Harris County Tax Assessor-Collector's Office provides the Commercial Portfolio interface on our website to initiate, view, add, and/or update your accounts. Using this feature, you will be able to monitor and maintain your accounts, make your statement requests online and/or pay based on this Commercial Portfolio.

If you used the Commercial Portfolio in the past, those accounts are still stored in your portfolio. Please review and update your contact information and the tax accounts in your portfolio.

To access the Commercial Portfolio use the URL below or go to www.hctax.net, click on **Property Tax** and then **Commercial Portfolio**.

URL for the Commercial Portfolio is: <https://www.hctax.net/Portfolio/MortgageAcct>

Setting up and accessing your portfolio:

- Your Lender ID is your login to the portfolio. If you are new to the portfolio or forgot your password you will be allowed to create or reset it on the login screen.
- Accounts may be added to your portfolio by uploading a text, excel or csv file in the designated format or by manual entry.
- Review and verify the accounts in your portfolio before submitting your payment.

Current Tax Payment Data File Specifications

If your payment does not total the taxes on the submitted payment file or in your Portfolio, or the User ID number is invalid, none of the accounts can be processed.

IMPORTANT

If you service accounts in any of the jurisdictions listed below, refer to **“Converting Account Numbers”** for the account number conversion format before proceeding:

- ❖ Harris County Appraisal District Personal Property, Mineral, Pipeline and Utility accounts
- ❖ Fr. Bend and Montgomery County Appraisal District accounts.

ACH Payment Procedures

IMPORTANT: Please allow 10 business days from the date of receipt to process the ACH request.
We will not accept any wires after the January 31st due date

The Harris County Tax Assessor Collector's Office will accept Automated Clearing House (ACH) payments on a limited basis.

- 1. To start:** Organizations wishing to pay property taxes via ACH must complete the ***APPLICATION FOR ACH PAYMENT FORM*** each tax year. The information provided in the application that follows will be used to process incoming wires into a designated Tax Office bank account. When an application is received, wiring instructions will be sent to the email address provided on the application. This information will only be sent via email – so be sure the contact email address is correct. No wiring instructions will be provided by phone.
- 2. Submit payment file:** A text file in the format shown above or a portfolio submission must be sent on the same day that the wire transfer is made. The electronic payment file will be validated to match the ACH payment. Payments will be posted as of the receipt date of the wire transfer.

Payments received without a corresponding payment file will not be processed.

- 3. Making corrections:** Transactions may be rejected for the following reasons:
 - The dollar amount in the wire does not match the total value of transactions on the payment file.
 - The file cannot be processed due to invalid account numbers, invalid user ID or incorrect file format.

If a file/payment is rejected, you will be contacted via the email address provided on the ACH application and given the opportunity to resubmit a corrected file. Failure to provide a corrected file within **2 business days** of notification will cause the funds to be returned. Once funds are returned, the property accounts(s) will be considered unpaid. Delayed submission or failure to correct and resubmit the payment file/funds timely may cause the tax accounts to become delinquent and incur penalties and interest.

Application for ACH Payment Form

Please read the Procedures for ACH Payment Transactions before completing this form. If you have any questions, regarding this form, please contact the Harris County Tax Office at (713) 274-8290. Allow 10 business days for processing.

CONVERTING ACCOUNTNUMBERS

Conversion of Harris County Appraisal District Personal Property Accounts

The Harris County Appraisal District (HCAD) assigns 7-digit account numbers to personal property, mineral, pipeline and utility accounts. The Harris County Tax Assessor-Collector’s Office adds a single digit prefix to the HCAD number and five zeroes as the suffix, thus converting the 7-digit number to 13digits.

The following criteria are used to determine the prefix. Conversions shown below are for account ‘1234567’:

Account Type	Tax Office Prefix	Tax Office Suffix	Account Number
Personal Property accounts	2	00000	2123456700000
Mineral accounts	4	00000	4123456700000
Pipeline & Utility accounts	5	00000	5123456700000

Conversion of Ft. Bend and Montgomery County Accounts

Typically the property ID for either Ft Bend or Montgomery County contains a leading letter followed by 6 or 7 numbers. Harris County will convert that number into a 13-digit account number, using these business rules:

1. All new account numbers will **drop the leading letter** from the property ID and **replace** it with, a **two- digit leading number** as follows:
 - ❖ Ft. Bend County: ‘01’ for **Real** Property and ‘99’ for **Business** Personal.
 - ❖ Montgomery County: ‘02’ for **Real** Property and ‘98’ for **Business** Personal.
2. Five (5) trailing zeroes will be added at the end.
3. For accounts with **less than 6** numbers in the property ID, the necessary number of **leading zeros** will be added after the leading number to create a 13-digit number, as shown below.

	Fort Bend County		Montgomery County	
	Business Personal Property			
# Digits	Before: A,P,V	After: 99	Before: P,N	After: 98
