## **Subject: Harris County Delinquent Property Tax Sale ROAD CONSTRUCTION**

Please note there is construction taking place at Holmes Road and Knight Street, which will block entry into Bayou City Event Center (BCEC) at that intersection. Please see the map below for alternative routes on Alameda Street. We do not anticipate the construction to be ongoing past the month of May.

Access to BCEC from Alameda St. is the best approach. Two options include taking the Holmes Road exit off Alameda and entering BCEC at the northeast corner, or proceeding further south to the Knight Road intersection and looping back north on Knight Road.

Upon exiting BCEC after the auction, please turn left onto Knight Road to the Alameda St. intersection.
